

**Beyond Movement.
Built for Business.**

**Global Logistics | Seamless Supply Chains |
Reliable Delivery**

ABOUT US

Logifex Freight Services is a growing global logistics and freight forwarding company focused on providing reliable, flexible, and end-to-end logistics solutions to businesses worldwide.

With three strategic locations across India, the United Kingdom, and the United Arab Emirates, we are well positioned to connect businesses across major international trade lanes. Our global network of trusted partners enables us to provide seamless coordination from origin to destination.

Our services include Air Freight, Sea Freight, Road Freight, Courier Services, Customs Clearance, Project Cargo, Break Bulk, RORO, Warehousing, Packing & Labelling, and other customized logistics solutions.

At Logifex, we believe logistics is more than simply moving cargo. It is about understanding our customers, solving challenges, maintaining clear communication, and ensuring every shipment moves as smoothly as possible.

Built for Speed.

**Designed for
Reliability.**

Driven by Precision.

VISION & MISSION

VISION

To build a logistics ecosystem where movement is not just efficient, but predictable and dependable enabling businesses to operate with confidence across domestic and international markets.

MISSION

The focus is on delivering logistics solutions that support business continuity and operational efficiency at every stage.

- ✓ To ensure that every shipment is handled with planning, accuracy, and accountability
- ✓ To simplify logistics processes by reducing delays, uncertainties, and operational gaps
- ✓ To maintain clear communication and transparency throughout the movement cycle

Global Reach. Local Expertise.

With a global network and strong local partnerships, we deliver seamless logistics solutions that move your business forward.
